

Eli Arroyo

Candidate For

Medina County Commissioner Precinct 2

Eli Arroyo was born on October 5, 1980, in San Germán, Puerto Rico. Guided by a strong sense of duty and service, he joined the United States Navy in 2006. During his military career, he served aboard the USS *Enterprise*, the USS *Eisenhower*, and the USS *George Washington*. His service took him around the world and allowed him to live in Virginia, Japan, and California. After years of dedication, he medically retired from the military in 2013. In 2016, he made Texas his home, settling in the welcoming community of Castroville.

Eli holds a bachelor's degree in physical education and a master's degree in teaching English as a Second Language. His professional journey reflects leadership, compassion, and entrepreneurship. He owns four Airbnb properties in Castroville and is the founder of Texas Caregivers, a company devoted to providing supportive, high-quality care to the community. He also helped his 17-year-old son purchase a local coffee shop, contributing to Castroville's growing small-business landscape.

Deeply committed to civic involvement, Eli ran for the Castroville City Council in 2018. Although he did not win, he continued to serve the community by assisting former mayors and supporting the Castroville Police Department in various initiatives. He is an active member of the American Legion and the Wounded Warriors Program, continuing his dedication to supporting fellow veterans.

A proud Eagle Scout, Eli has served as the Scoutmaster of Troop 471 in Rio Medina for the past six years. Under his leadership, around ten Scouts have earned the rank of Eagle Scout, each completing community-enhancing projects that reflect the values of Scouting.

Family remains at the center of his life. Eli is married to Sophia Arroyo, and together they are the proud parents of Eliezer "EJ," Sebastian, and Elizabeth.

Rooted in service, leadership, and community growth, Eli Arroyo continues to build a meaningful life in Castroville—always focused on giving back, creating opportunities, and helping others rise.
